Here is a link to the current Turquoise Level Restrictions: [Red to Green Framework | NMDOH - Coronavirus Updates \(nmhealth.org\)](#).

**Effective July 1st -**

- All color code occupancy restrictions on all forms of commercial activity will be lifted.

*All businesses in the State may now operate at 100% of their maximum capacity  
Businesses may still choose to require additional precautions for employees/patrons at their discretion*

- All limitations on mass gatherings will be gone.
- Businesses, large events and organizations may operate at 100% of maximum capacity both indoors and outdoors
- The State will continue to follow CDC guidance with respect to face coverings which means masks are not required for vaccinated individuals

I will find out if City facilities (e.g., BioPark) will operate at 100% of their maximum capacity effective July 1.
